

Solar Photovoltaics

- Solar PV Manual – 'From Sunlight to Electricity,' New Delhi, India, 1999

Other Publications and Reports

- State of the World (SoW) 2006, Special Focus: China and India

SoW published annually for the last 23 years is one of the most widely used resources for analysis by corporate planners, Government officials, development specialists, academicians and R&D specialists, NGOs and concerned citizens. Some of the themes covered in the book include the challenges in global sustainability, corporate social responsibility, nanotechnology, environmental and NGO Movement in China, freshwater and ecosystem services, biofuels, and trade and security by experts in the field.

- Renewable Energy in India: Business Opportunities
- A Case Study of the Biogas Program of Gram Vikas in Orissa, February 2001
- Proceedings of the World Bank Workshop on 'Improved Rural Access to Electricity Services in India,' New Delhi, India, May 22-23, 2000
- Proceedings of the Workshop on 'Asia-Pacific Renewable Energy Business Development 1999,' New Delhi, India, November 12, 1999
- Renewable Energy in Indonesia, June 1997

Newsletters

- Renewable Energy, India (Annual): magazine devoted to discussing multiple issues in renewables - Rs 200
- REPSOVision (Quarterly): Offers information on renewable energy. *On subscription: One year - Rs 500 Two years - Rs 900, Three years - Rs 1,300*
- REsource (Quarterly): Information on renewable energy sources, specifically for schools. *On subscription: One year - Rs 300, Two years - Rs 500, Three years - Rs 700*
- Cane Cogen India (Quarterly): Discusses sugar cogeneration issues in India. *On subscription: One year - Rs 800 Two years - Rs 1,400, Three years - Rs 1,800*
- BEE(Bi-monthly): The bulletin on energy efficiency sponsored by IREDA focuses on issues and practices of improving energy efficiency across various sectors with case studies / success stories.
- Biofuels India (Quarterly): Devoted to the production and use of green fuel in the energy sector. *On subscription: One year - Rs 800, Two years - Rs 1,400, Three years - Rs 1,800*
- INFORM (Quarterly): The newsletter on participatory forestry management.
- Bulletin on HYDROGEN and Fuel Cells Cooperation (Quarterly): Global updates and reviews on fuel cell technology.

Publications Catalog

Winrock International India

Winrock Information Service on Energy (WISE) Membership

This membership entitles a member to receive annually 800 printed pages of data, information, research and analysis on new energy technologies and environmental issues in the form of newsletters, bulletins and proceedings of conferences. We have already 320 WISE members, details are available on www.winrockindia.org

Annual Fee : Rs 2,500

Send in your request with payment via DD payable at New Delhi in favor of 'Winrock International India' to:

OUTREACH / 2006

Winrock International India (WII) is a not-for-profit organization, registered under the Indian Societies Act. WII's publications in its three program areas of energy and environment, natural resources management, and climate change fill a much-needed market niche by discussing the key development challenges that face India.

Natural Resources Management

■ Lake Maters – Paying to Protect Watersheds [Only available on DVD] 2006	300
■ Adaptation to Climate Variability and Change, 2006	800
■ Markets for Watershed Protection Services and Improved Livelihoods in India – A Policy Brief, 2004	50
■ Root to Canopy – Regenerating Forests Through Community-State Partnerships, 2003	800
■ Developing Incentive-based Mechanisms for Watershed Protection Services and Improved Livelihoods in India, 2003	900
■ Small and Medium Forest Enterprise India, 2003	500
■ Silver Bullet or Fool's Gold? – A Global Review of Markets for Forest Environmental Services and their impacts on the Poor, 2002	600
■ The New Foresters, 2002	500
■ Old Roots, New Shoots: A Study of Joint Forest Management in Andhra Pradesh, 2000	400*
■ India's Forests Beyond 2000, 2000	200

Climate Change

■ Workshop on Transportation Greenhouse Gas Project Development, Funding, and Implementation,' 2005	500
■ Climate Change and India: Uncertainty reduction in Greenhouse Gas Inventory Estimates – Published by Universities Press	600
■ Capacity Building Workshop for the Financial Sector on Clean Development Mechanism (CDM), Hyderabad, 2005	500
■ Climate Change and India: Vulnerability Assessment and Adaptation, Universities Press, 2003	660
■ State Level Capacity Building Workshop on Clean Development Mechanism, Kolkata & Ahmedabad, 2004	500
■ Climate Change and India: Issues, Concerns and Opportunities, 2002	550
■ US-India Cooperation on Global Climate Change: A Compendium of Activities, 2002	200
■ Climate Policy Assessment for India – Applications of Aisa-Pacific Integrated Model (AIM)	500

Energy & Environment

Cogeneration

■ SARI/E Small Grants Program – A Compendium of Activities, 2006	500
■ Marketing Strategies for Renewable Energy Technologies – Training Modules, 2006	750
■ Renewing lives with Renewable Energy – Clean Energy Business Models for Indian Villages, 2005	100
■ Commercializing Renewable Energy in India	50
■ US-India Hydrogen Energy Dialogue, 2005	500
■ Financing Energy Efficiency projects: Training Manual of Capacity Building Program for Bankers, 2005	650
■ Optimizing Energy and Performance to Maximize Profit: Training Manual of 'In-Plant Training Program on Sugar Mill Cogeneration at Godavari Sugar Mills', Karnataka, 2004	500
■ Proceedings of the 'Third International CHP and Decentralized Energy Symposium, and USAID International Conference and Exhibition on Bagasse Cogeneration', New Delhi, India, October 24-26, 2002	550

Handbook on Sugarmill Cogeneration in India, 2002

Rs 5,000 (\$160)

■ Course Material of the Training Program on 'Financing Bagasse-based Cogeneration Projects in India, 2002'	250
■ Course Material of 'Advancing Bagasse-based Cogeneration,' November 24, 2001	200
■ Course Material of the Training Program on 'Heat Rate Improvement in Sugar Mill Cogeneration', PMI, Noida (Uttar Pradesh), India, June 2001	200
■ Course Material of the 'In-plant Training Program at Shamanur Sugars,' February 2001	200
■ Proceedings of the Workshop on 'Sugar Factory and Cogeneration Plant Management', Hyderabad, India, May 5, 2000	250
■ Course Material of the Training Program on 'Power Plant Management,' Noida, Uttar Pradesh, India, June 28-30,1999	300
■ Proceedings of the Regional Workshop on 'Investment	

Cost in
Rs

Development and Commercialization of Bagasse-based Cogeneration in Sugar Industry', Mumbai, India, June 22, 1999	250
■ Proceedings of the International Workshop on 'Alternative Bagasse Cogeneration,' New Delhi, India, February 27, 1999	200
■ Proceedings of the Regional Workshop on 'Biomass Management & Energy Efficiency Improvement in Sugar Mills,' Chennai, India, January 28, 1999	300
■ Proceedings and Recommendations of the Business Meet on 'Biomass/Bagasse-based Power Projects,' Kolhapur (Maharashtra), India, March 25, 1998	500

Biofuels

■ Proceedings of the '4th International Conference on Biofuels,' February 1-2, 2006 [Print edition] available in February 2007	1500
■ Proceedings of the '3rd International Conference on Biofuels,' January 18-19, 2006 [Print edition]	1200
■ Proceedings of the '2nd International Conference on Biofuels: Perspectives and Prospects', September 16-17, 2004 [Only available on CD]	500
■ Proceedings of the 'International Conference on Biofuels: Progress, Policies and Prospects', May 19-20, 2003 [Only available on CD]	400
■ Proceedings of the Workshop on 'Ethanol 2002: Policy, Financing & Market Development,' April 18-19, 2002	350
■ Proceedings of the Workshop on 'Challenges of Ethanol as Transportation Fuel in India', Chennai, India, September 10-11, 2001	250
■ Proceedings of the Roundtable on 'Operationalizing Gasoline-Ethanol Blend Use in the Transport Sector in India', New Delhi, India, July 20, 2001	100
■ Background Paper of the Seminar on 'Use of Ethanol in Motor Gasoline: In Search of a Viable Strategy', New Delhi, India, October 18, 2000	150
■ Proceedings of the Seminar on 'Ethanol 2000: Sustainable Fuel for the Transport Sector', New Delhi, India, February 25, 2000	350*
